Afterword

If you didn't read the first volume, "AKUTAI WA TOIKI TO MAZARIAU", please read it! ♡

(A sudden advertisement)

This is the second volume in the AKUTAI series. Thank you for picking it up!

Nice to meet you. Im Hyouto Fujiyama

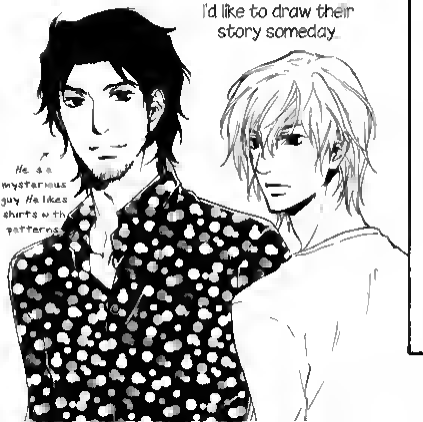
It's difficult for me to draw cute girls as usual

I drew this about four years ago (it's 2009 now) so I wasn't satisfied with the art. I fixed it up a little.

About the girl whom Touji treated terribly, I referred to some magazines for her appearance. However, she just wears ordinary clothes in the end. I guess I didn't need to reference...

"Your Cursing is a Sweet Melody"

And then, Miharu (a.k.a "beard") appeared for the first time. I'd like to draw their story someday.



He is a mysterious guy. He likes shirts with patterns.

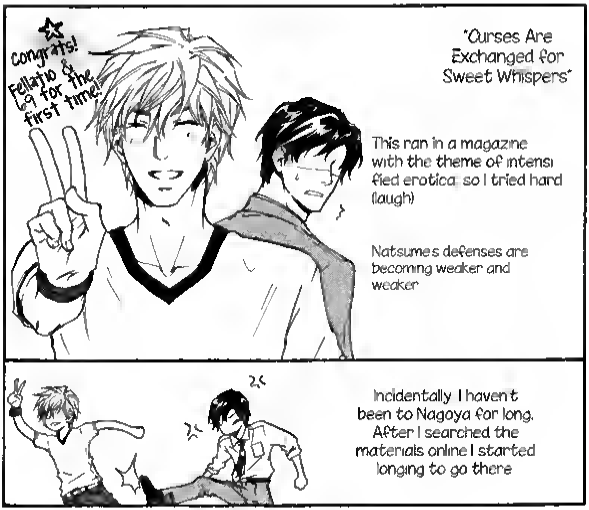
"Your Curses Soften for a Visitor"

Drawing an animal (a cat) was much more difficult.

I enjoyed drawing Natsume in a fuss, though.

Ruff...

← Everyone said he was scary in first volume. How about this time...?



It was my first time to draw ing a two part chapter in this series.

I'm nervous to know the reaction you had about Touji's past or Yanagi's personality I've wanted to draw this story for a long time, so I'm happy now Of course it would be great if you enjoyed it!

The two of them are getting closer slowly... I guess.
I hope you enjoy haw their relationship will go in the future
